

New Source Review newspaper advertisements for construction permit applications, October 4, 2007. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: September 27, October 2, October 3, or October 4, 2007. Public notices are generally published every two weeks. The previous publication of public notices was September 20, 2007.

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Metromont Corporation with a mailing address of 2802 White Horse Road, Greeneville, SC 29611. They seek to obtain an air contaminant permit (Division identification number: 75-0132-01/61173) for modification of a Pre-cast Concrete Products Operation located at 444 Dick Buchanan Drive, LaVergne, TN 37086. The proposed modification consists of adding one (1) cement silo. A baghouse would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. Elizabeth Peeler is the assigned Division person.

For the Rutherford County *Daily News Journal* -- publish once on or before Thursday, September 27, 2007.

The applicant is Lake City Shell, with a mailing address of 76 Old 25 E, Barbourville, KY 40906. They seek to obtain an air contaminant permit (Division identification number: 01-0232-01/60211) for existing of a Gasoline Dispensing Facility at 705 North Main Street, Lake City, TN 37769. This existing operation consists of three gasoline storage tanks and associated gasoline dispensing equipment. Stage I gasoline vapor recovery is used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Ms. Hymelia Craig is the assigned Division person.

For the Anderson County *Oak Ridger* -- published once on or before Thursday, October 4, 2007.

The applicant is Bunge North America, Inc. with a mailing address of 4344 Everett Lake Road, Dyersburg, TN 38024. They seek to obtain an air contaminant permits for modifications located at the same address, as follows:

(1) Grain Elevator (Division identification number: 23-0048-01/60827). This existing operation consists of receiving pits, storage silos, grain dryer, barge loading, and associated equipment used to store and distribute grain. A baghouse is used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. E. King is the assigned Division person.

(2) Grain Dryer (Division identification number: 23-0048-03/60829). This existing operation consists of a grain dryer and associated equipment used to remove moisture from grain. Number 2 oil is used as fuel. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There

would be no physical construction. Regulated air contaminants are emitted by this source. Mr. E. King is the assigned Division person.

For the Dyer County *State Gazette* -- published once on or before Thursday, October 4, 2007.

The applicant is Plateau Pallet, L.L.C. with a mailing address of 1075 Deer Lodge Hwy., Clarkrange, TN 38553. They seek to obtain an air contaminant permit (Division identification number: 25-0063-02/61296) for operating a wood pallet manufacturing operation located at the same address. Part of this existing operation consists of a 280 horsepower diesel-powered woodcutting gang saw. The fuel used will be diesel fuel. Because of the amount and type of emissions, the use of additional pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants would be emitted by this source. Mr. Robert Benjamin is the assigned Division person.

For the Fentress County *Fentress Courier* -- published once on or before Thursday, October 4, 2007.

The applicant is Jones Fiber Products, Inc. with a mailing address of 134 Pope Road, Morristown, TN 37813. They seek to obtain an air contaminant permit (Division identification number: 32-0213-02/61158) for modification of a Thermal Bonding Oven located at the same address. Only natural gas would be used for fuel. The existing equipment consists of blending hoppers, garnets, lappers, a thermofusion oven, and associated equipment used to produce cotton batting. A drum filter, rill-up filer, and a high temperature fabric filter are used for pollution control. The requested modification is for an increase in annual production. There would be no physical construction. There would be an increase in the regulated air contaminants emitted by this source. Mr. D. Logsdon is the assigned Division person.

For the Hamblen County *Citizen Tribune* -- published once on or before Thursday, October 4, 2007.

The applicant is Seminole Gas Company, L.L.C. with a mailing address of 1323 E. 71st Street, Suite 300, Tulsa, OK, 74136. This company seeks to obtain construction permits (Division identification numbers: 37-0123-01/61222, 37-0123-02/61250, 37-0123-03/61251, & 37-0123-04/61252) for a natural gas processing plant near Rogersville located at 5 miles south of Rogersville, to the intersection of Hwy 66 and Hwy 111, Rogersville, TN 37857. The proposed facility consists of two compressor engines, a natural gas fired heater, and a liquid natural gas storage tank used in the processing plant. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Doug Warden is the assigned Division person.

For the Hawkins County *Rogersville Review* -- published once on or before Thursday, October 4, 2007.

The applicant is the Copper Basin Veterinary Clinic with a mailing address of 163 E. Tennessee Avenue, McCaysville, GA 30555. They seek to obtain an air contaminant permit (Division identification number: 70-0048-01/61211) for construction of an Animal Cremation Unit located at 163 West Tennessee Avenue, Copper Hill, TN 37317. This proposed operation would consist of a 1,150,000 Btu/hour burner and associated equipment used in the cremation of animal remains. Propane gas would be used for fuel. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. Doug Wright is the assigned Division person.

For the Polk County *News* -- published once on or before Thursday, October 4, 2007.

The applicant is Nissan North America, Inc. with a mailing address of 983 Nissan Drive, Smyrna, TN 37167. They seek to obtain an air contaminant permit (Division identification number: 75-0155-63/61303) for an Engine Dynamometer Test Area located at the same address. This existing operation consists of four engine test cells and associated equipment used to conduct engine durability and endurance testing. Catalytic converters are

used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Mr. M. Reynolds is the assigned Division person.

For the Rutherford County *Daily News Journal* -- published once on or before Thursday, October 4, 2007.

The applicant is EQ Mobile Recycling Services, Inc. with a mailing address of 540 Independence Blvd, Mt. Airy, NC 27030. They seek to obtain an air contaminant permit (Division identification number: 82-0418-01/61249) for construction of a Solvent Recovery Operation located at The Robinette Company, 250 Blackley Road, Bristol, TN 37620. This proposed operation would consist of a portable liquid separation unit used to recover a target solvent from the liquid waste generated by The Robinette Company. A diesel generator would be used to power the unit. Heat energy would be applied to the liquid waste to vaporize the target solvent. The target solvent vapor would then be condensed and stored for reuse at the site. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. D. Logsdon is the assigned Division person.

For the Sullivan County *Bristol Herald Courier* -- published once on or before Thursday, October 4, 2007.

The applicant is Gateway Quik Shop, with a mailing address of 1140 North Main Street, Johnson City, TN 37605. They seek to obtain an air contaminant permit (Division identification number: 86-0078-01/61126) for construction of a Gasoline Dispensing Facility at the same address. This existing operation consists of three gasoline storage tanks and associated gasoline dispensing equipment. Stage I gasoline vapor recovery is used for pollution control. There would not be physical construction. Regulated air contaminants are emitted by this source. Ms. Hymelia Craig is the assigned Division person.

For the Unicoi County *Erwin Record* -- published once on or before Thursday, October 4, 2007.
